**HOCKEY COMMUNITY
MEDIA GUIDE**

VIRDEN OIL CAPITALS TRANSITION TO NON-PROFIT ORGANIZATION

As of June 1st, 2020, the Virden Oil Capitals Jr. A Hockey Club is being run in its entirety as a 'Not for Profit' Organization.

If we turn back the clock to the 2011/2012 inaugural campaign, there was a group of individuals that worked extremely hard to bring junior hockey to the greater southwestern Manitoba region as well as eastern SK. This effort was with the intention of bringing a sense of community and loyalty as well as a gathering point for fans and businesses during a time of our winter season where we could come together and enjoy each other's company. It was also an opportunity to help a group of young individuals advance to the next stage of their lives, season after season, through mentorship and creating that sense of community.

With our plan from the start, once stable, our goal was to turn this into a community team and evolve into a 'Not for Profit' organization. Today we have amalgamated the two separate entities into one. We would call this Phase Two of our evolution. Moving forward in Phase Three, we will look to provide the opportunity for the greater community, both fans and businesses, to become shareholders in the team.

Over the next few months, we will be rolling out our vision and plan and look forward to continuing down the path of full integration to make this entity a true community team. We expect that the spirit and passion that goes with that, will allow long term success in this marketplace and see the Oil Caps with the opportunity to consistently compete for a Manitoba Junior Hockey League Championship.

Thank you for supporting the Virden Oil Capitals.

GREETINGS FROM THE MJHL COMMISSIONER

The 2021-22 MJHL season has been another amazing effort by all member organizations as we continue to face each challenge presented by COVID-19 head on. It has been one of the most competitive seasons from top to bottom we have had to date with the skill level and dedication of the players and staff throughout the league at an all time high.

Our athletes, staff, organizations, facilities and the entire MJHL community are to be commended for their amazing efforts as they meticulously followed and executed the strict and extensive MJHL Return to Play Protocols in addition to changing Public Health Orders throughout the season. The MJHL member organizations and communities were Return To Play leaders once again.

We are very grateful to our communities, billets, sponsors, supporters, officials, volunteers, league staff, team staff and players for their commitment and leadership in navigating another challenging and unprecedented season.

I would like to personally thank all of the MJHL and member team corporate partners and fans for their unwavering support, loyalty, patience and understanding over the past two years. MJHL organizations will need and deserve all the support they can be afforded as we move forward in preparation for bigger and better things in 2022/23 - The future is bright for the MJHL!

Kevin Saurette

Commissioner

Manitoba Junior Hockey League

GREETINGS FROM THE VIRDEN OIL CAPITALS HEAD COACH

Entering our third season affected by the Covid-19 global pandemic, we were somewhat unsure what hockey was going to look like for the Virden Oil Capitals. The Manitoba Junior Hockey League along with its member clubs worked tirelessly to prepare for a full season of hockey while following the landscape of ever-changing provincial Public Health guidelines and restrictions. Things such as scheduling, division alignments, capacity restrictions and health and safety protocols in our facility were all taken into consideration to get the season underway.

Low and behold the 2021-2022 MJHL season started for us with our Valleyview Co-op Home Opener on September 17 against the Waywayseecappo Wolverines. Our hockey club underwent some major changes in terms of our roster from the shortened 2020-2021 season. Gone were the 6 graduating players as well as several players that went on to the WHL, University/College or the US. We brought in some of our top prospects as well as some key veteran players from other teams in the MJHL to make up a roster that would compete for a spot in the Turnbull Cup playoffs. Our team has improved immensely over the course of the season and at the time of printing we were sitting in 3rd place in our division with 9 games to play in the regular season.

Off the ice, we have fully transitioned to a Not-for-Profit organization and will be working our way to becoming truly community owned. This is very exciting as we are proud to be able to continue sharing our passion for this great game with our fanbase and business partners as we firmly believe this will ensure our success here in the community of Virden for years to come.

On that note, over the past 3 seasons, we have been overwhelmed with the unwavering support from our business partners, season ticket holders and fans in the community and surrounding areas. We understand how difficult these last few years have been for all of us and that makes the support our hockey club receives even more special. We are so grateful to be a part of this incredible community. Thank you!!!

As we look forward to the playoffs and competing for a Turnbull Cup championship, we hope this message finds you and your families healthy and safe and we look forward to seeing you at the rink.

Sincerely,

Tyson Ramsey

GREETINGS FROM THE MAYOR OF VIRDEN

On behalf of the Town of Virden, I would like to welcome all of you to our Community and to Tundra Oil & Gas Place. The Community of Virden is proud to be the home of the Virden Oil Capitals. From day one, the Oil Capitals organization has proven to be an outstanding supporter of our community, while providing exciting hockey action for all of their fans. Seeing the large crowd they draw to each and every game, makes me proud to be a volunteer for this organization. Virden is very fortunate to have such an outstanding group of talented young individuals wearing the Oil Caps jerseys representing our community at home and away!

Go Caps Go!!!

-Mayor Murray Wright

GREETINGS FROM THE VIRDEN OIL CAPITALS HOCKEY CLUB

10 years as an MJHL franchise is a huge accomplishment and would not happen without tremendous commitment from the folks that directly run the team day to day, our extended group of support staff, our board of directors, our billet families, our fans and our corporate partners. Amazing when you look at a small town situated in rural Manitoba, how many people it takes to keep a "Junior A" team going year after year.

With that said, we can also look at the positive impact on hundreds of lives that this team has affected both in players that have come through our organization and the greater community that have taken part. As many billet families have said, these players that move through over the years and sometimes spend three and four years at the same household, become extended families for life. It really becomes more than hockey, it is a community investing in people, it becomes a social and community gathering where friendships are created or strengthened, and it becomes finding the good in a day on a cold Manitoba night in the dead of winter.

Many players have gone on to play high level college or university hockey, and with a feather in our cap, two have made it all the way to the NHL. Many have gone on to obtain their degrees in their chosen fields and have become prominent figures in their communities or ours, as some have returned to work and live in Virden.

The last two seasons have not been easy with Covid making life challenging for everyone, including our hockey club. Partially missed seasons, missed playoffs, and years lost for veteran players that cannot be regained. With that said, the community and corporate partners have been tremendous in their support and we are hopeful that we normalcy can return for the rest of this season and into the next.

With any year in Junior A hockey there is always change, and Covid has made it seem like more change than normal, but we have a team coming together at the right time that is very competitive and plan for a long run in the playoffs. 10 years in the league, and the championship has eluded our club, but with the commitment to excellence and consistency in product on the ice, we believe it will happen, and hopefully in the very near future! The community deserves the best in the entertainment value we provide and the people we are putting into the community!

We wish you all the best in 2022 and hope to see you at the rink!

TYSON RAMSEY Head Coach and General Manager

Tyson played four years in the MJHL with the Winkler Flyers before moving to Brandon to attend Brandon University where he played four seasons for the Brandon Bobcats of the CIS. After graduating with an education degree in 2000, he remained in Brandon to teach and played a number of seasons with the Tiger Hills Hockey League's Souris Elks and four years with the Steinbach Northstars senior team, making an Allan Cup appearance in 2009.

Tyson has been a coach with the Brandon AAA midget Wheat Kings, the AAA bantam Wildcats female program and does some scouting for the Moose Jaw Warriors of the WHL.

BRETT BRAYBROOK Assistant Coach

The newest member of the coaching staff is assistant coach Brett Braybrook. Brett comes to the Oil Caps from the Virden Oil Kings, a local senior team, where he served as a coach there a year ago. This is Braybrook's second stint with the Oil Capitals in a coaching role. He served as the video coach during the Oil Caps inaugural season and was an Assistant Coach the following year. Brett has also been a member of the teams scouting staff for several seasons.

MARC BERRY Assistant General Manager

A product of Birtle, Man., Marc has appeared behind the bench in over 500 games in the MJHL. He has also taken part in the RBC Cup, the Western Canada Cup as well as two league finals.

Marc has also gained international experience with Hockey Canada, being a part of Team West in the WJAC, winning gold twice.

With over 15 years of scouting and coaching experience ranging from bantam to pro, Berry is looking forward to being a part of the Oil Capitals organization.

REID GOW Assistant Coach

While growing up and playing in Southwest MB, Reid played for the Southwest Cougars, and spent 5 years in the WHL; Four with the Spokane Chiefs and then had the privilege of playing for the Brandon Wheat Kings in his 20-year-old season to cap off his junior career. All the while, Reid played for team Manitoba U16, Canada West U17, and attended the St. Louis Blues training camp.

RYAN POTTER Goaltending Coach

Ryan joined the Oil Capitals in the summer of 2015 from the Dauphin Kings where he was a goaltending consultant and scout.

Ryan spent three seasons with the Melville Millionaires (SJHL) and wrapped up his junior career in the AJHL with Fort McMurray.

Since his retirement he has hosted dozens of goalie clinics and schools with goalies of all ages. Ryan and his wife Kelli have been billets for the Oil Capitals since Day 1.

DANA WARRENER Athletic Therapist

Dana Warrener is our new Certification Candidate Athletic Therapist in her first year with the Virden Oil Capitals.

Dana Studied at the University of Manitoba where she obtained a Bachelors Degree of Athletic Therapy. Throughout her career she has work with a wide variety of teams such as; Usports Volleyball and Trac k and Field, and Junior Women's Hockey.

She Grew up on a small farm on the borders of the Parkland and Interlake. Being from a smaller community she was a staple in many of the area's sporting clubs and events, this involvement shaped her passion for sports, her ongoing commitment, and her work ethic.

TERESA HERITAGE Office/Game Day Manager/Billet Coordinator

Born and raised in Virden, Teresa and Doug Heritage live in the town of Virden with their two kids, Lexi and Dylan. Teresa Heritage wears a variety of different “hats” with the organization. The club’s long-time billet coordinator is also the game day/office manager. Teresa has been associated with the team since the club’s inception.

Teresa looks after the players with regards to coordinating billets as well as ticket sales, marketing partners, and other office duties are kept up by Teresa. Teresa is integral to the team, the players, billets, corporate partners, and our fans.

KELBY DWYER Media Relations and Game Day Assistant

Born and raised in Oak Lake, Kelby lives in the town of Virden with her Fiancé Tanner and their dog Buddy. Kelby is new to the Oil Caps organization this year and has taken on the role of Media Relations and Game Day Assistant. Although Kelby is new in this capacity, she has been a long-time fan!

SUPPORT STAFF

BRIAN MYTOPHER | EQUIPMENT AND DRESSING ROOM COORDINATOR

GARRY REMPLE | DRESSING ROOM ATTENDENT

BROCK DAVIES | STRENGTH & CONDITIONING COACH

JEFF PEEL | STRENGTH & CONDITIONING COACH

PATRICIA HOLE | POWER SKATING INSTRUCTOR

PASTOR WAYNE UNGER | TEAM CHAPLAIN

LAURA GATEY | GAME DAY AUDIO TECHNICIAN

PERRY MEIKLE | GAME DAY OPERATIONS COORDINATOR

BRIAN ELDER Head Scout

Brian grew up in Oak Lake and was a netminder ever since he was six years old. He retired from minor pro hockey at the age of 25 and became a teacher – a career he still maintains in Souris, Man.

Elder has been working with goaltenders for more than 20 years and has coached netminders at the WHL, SJHL, Manitoba Midget AAA and most recently the Bantam AAA level. He's currently the goaltender coach for the Southwest bantam AAA Cougars.

His minor pro hockey career included stints with the Oklahoma Blazers and the Manitoba Moose.

GROWING THE GAME

WORKING WITH MINOR HOCKEY:

The Oil Capitals once again are chipping in and helping with Virden Minor Hockey and other local hockey organizations.

Many VMH teams have Oil Capitals players as mentor coaches.

The Oil Capitals players and coaching staff help out with other organizations in running practices for an evening with their local minor hockey organizations.

The team continues to be part of local hockey associations in helping their players and coaches strive to be the best they can be.

"The more we intertwine our players with the community, it's good for both the community, our players, and our organization."

COMMUNITY RELATIONS

The Virden Oil Capitals organization in partnership with Tundra Oil and Gas Place is proud to continue involving our team in Virden and the surrounding communities. At the end of every month Tundra Oil & Gas proudly presents the Oil Capitals in the Community Connection, a summary of events held in the community within that previous month and a look ahead at future events, which are sent out in e-blasts. To stay connected with the Oil Caps and what they are doing in the community sign up for e-blasts at oilcapshockey.com.

Every year, the Virden Oil Capitals volunteer countless hours of their time to not only hockey but also unrelated events such as helping bag groceries at the local Co-op, participating in intermurals at Marry Montgomery K-4 school, I love to read month at Goulter K-4 school, minor hockey practices for several different teams, they participated in the Virden Junior High Terry Fox Run and they help out with the breakfast club program. The Oil Caps also helped this year with "A Sleigh Full of Toys" at the Virden Red Apple Store and Christmas cheer!

The Virden Oil Capitals are committed to helping wherever needed for the amazing community that supports them!

If you would like representation from our team at your events, please email us at marketing@oilcapshockey.com
